Restriction

I request that the processing of my personal data will be restricted. With this restriction, however, the data record remains stored and is no longer processed internally. This means that new orders can no longer be processed.

The restriction is permitted if

- (i) processing is inadmissible but deletion is refused,
- (ii) the data are no longer needed for the purpose of the processing,
- (iii) opposition has been filed and it is not yet clear whether there are grounds for processing worthy of protection.
